RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Seattle, Washington 98101

June 27, 2006

TO THE COMMISSIONER FOR PATENTS:

A Notification of Defective Response mailed June 14, 2006 (copy enclosed), stated that the sixth inventor had not executed the declaration in this application. Applicants do not understand the basis for the notification. Attached to a transmittal letter, mailed by express mail on March 28, 2006, were six copies of a declaration, each separately signed by one of the inventors. Copies of the declarations are attached with yellow flags, each showing where one of the six inventors executed the declaration, albeit separately. Applicants submit that the previously submitted declarations were not defective and that the Notification of Defective Response is in error, and request that it be withdrawn.

If any further questions arise, applicants respectfully request that its undersigned attorney be contacted at the number set forth below.

Respectfully submitted,
